

Niagara Falls Camera Club 2019 Summer Inspiration Challenge

We know how hard it can be to get inspired to photograph something new and challenging. We have assembled a list of 6 subjects to help inspire your photography this summer.

The rules are simple.

- Photograph each of the 6 subjects between now and September 30th.
- The subjects do not have to be photographed all on the same day (in fact we recommend you don't so that you may get out multiple times)
- Once you have all 6 subjects photographed, take your best shot from each location and resize them to 1920 pixels (wide) x 1080 pixels (tall).
- Save your images as JPGs, sRGB colour space.
- Please name your with the subject number and your name. Example "4 Chris Empey"
- Email those 6 images to cempey@NiagaraFallsCameraClub.org no later than Midnight, September 30th.
- All the submissions will then be compiled into a slideshow and will be shown at the Christmas Potluck meeting of the Niagara Falls Camera Club, December 16, 2019 and will then be posted to YouTube and our website for online viewing.
- There is no cost to participate.
- Submissions are open to everyone, not only camera club members.
- Previous years video may be viewed at

Happy Shooting,

Chris, Scott and the rest of the Niagara Falls Camera Club team.

<p>#1 Flowers Outside</p>	<p>Niagara is home to many locations for flower photography, from the Niagara Falls Botanical Gardens and Queen Victoria Park to many locations for wild flowers. For this challenge, photograph a flower (or flowers) outside away from your home.</p>
<p># 2 A Composite Image</p>	<p>We would like to see your creativity and a little bit of Photoshop skill with this challenge. You will need to come up with an idea, photograph at least two different images and then combine them into a composite, final image. All parts of this photograph must be shot after the start of the challenge.</p>
<p>#3 A Photo from One of Our Outings</p>	<p>We will be holding several outings over the course of the summer and we want to see a photo from one of these outings. Be sure to watch our Facebook page for notice of the outings.</p>
<p>#4 In The Forest</p>	<p>Forests have a wonderful charm to them. The way the light filters through the canopy, plants that require the shade the trees provide, and mossy rocks that you won't find in the sun. Show us your photo taken in a forest.</p>
<p>#5 Brock's Monument</p>	<p>Show us a photo that includes Brock's Monument. Be creative.</p>
<p>#6 McBain Center Skate Park</p>	<p>Not your normal park, this park is concrete and metal, with curves, hills and graffiti. Show off your photography from this location.</p>
